Rivers, forested hills and bubbling springs – they're all part of the natural appeal of south-central Missouri. Along the Current, Meramec and Jack's Fork Rivers are caves, springs and bluffs. By canoe or boat, you can enjoy an old Missouri favorite: a fun and refreshing float trip. Bring your own gear or rent from an outfitter along the water. Nearby Saint James is the home of Meramec Spring Park, where there's trout fishing, a nature center and more.
