

February 2021 Admissions Newsletter

The Missouri S&T Office of Admissions would like to thank you for your dedication to students and your support as we share information about S&T. We are continuing to work hard to reach students to provide updates and guidance on next steps. In this newsletter, we have provided important information for students as they make decisions and work through their next steps, as well as some S&T news.

Next Steps and Scholarship Information for Students

Do students have questions about next steps as they prepare to attend S&T? The below websites contain helpful information and links:

Freshman: nextsteps.mst.edu
Transfers: pro.mst.edu/transferorientation

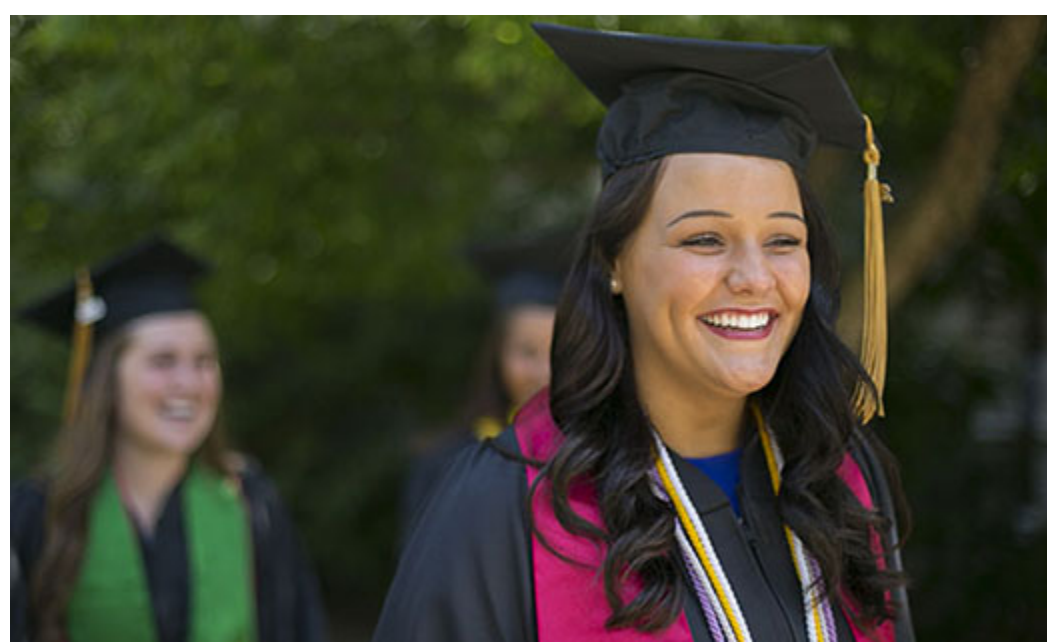

Kummer Vanguard Scholars Program

Missouri S&T is excited to offer the [Kummer Vanguard Scholars Program](#) for freshman starting in Fall 2021. Encourage your students to submit an application soon to be considered in the next round. The next review deadline is **February 15**. There are also additional review deadlines of **March 15** and **April 15** so students have later opportunities as well.

Missouri S&T Honors Academy

The [Missouri S&T Honors Academy](#) offers students the opportunity to be a part of a community of outstanding scholars who are seeking an enhanced educational experience at S&T. There are deadlines for students to accept their invitation into the Honors Academy. The freshman deadline is **February 15** and the transfer deadline is **May 1**.

Partners In Excellence Scholarship

Missouri S&T offers the [Partners in Excellence Transfer Scholarship](#) for transfer students transferring directly from a partner institution. To secure the Partners in Excellence Scholarship, students must register for [Transfer Advising Day](#) by the March 1 deadline.

Residential Life

Students can view the [Residential Life website](#) for information on housing at S&T. The Housing Interest Form (where students submit their preferences) will be available soon and has a deadline of **May 1**. For students interested in Honors Academy housing, the deadline is **April 1**.

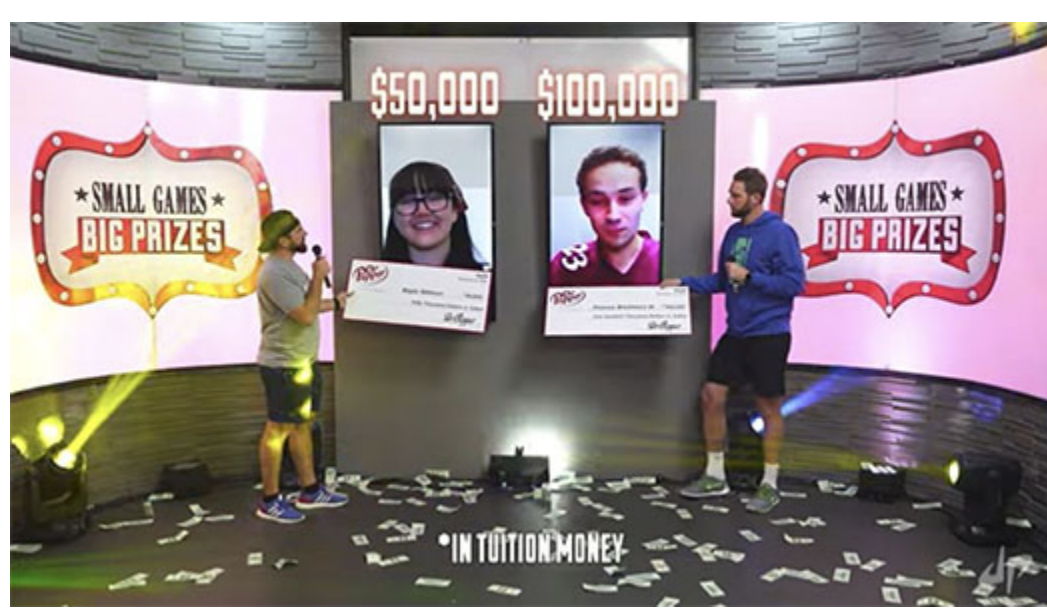

Missouri S&T News

Missouri S&T global engineering student featured in national language learning campaign

Jessi Schoolcraft, a junior majoring in environmental engineering and multidisciplinary studies with an emphasis in French, is one of the first students in Missouri S&T's Global Engineering Program. Learn more [here](#).

S&T student wins \$100,000 scholarship on Dude Perfect YouTube channel

Thomas "Trey" Breshears III, a sophomore in electrical and computer engineering at Missouri S&T, recently won a \$100,000 scholarship while appearing on the YouTube channel "Dude Perfect." Learn more [here](#).

Meet Our Grads

S&T grads are doing great things. Go [here](#) to learn more about them.

Visit Opportunities for Students

Missouri S&T Offers Virtual and On-Campus Visits

One of the best ways to get a feel for a college campus is to visit. There are so many great options for connecting with S&T. Whether a student is looking for a virtual visit or an on-campus visit, we've got it covered! Some of our options include: Virtual Q&As with current students, faculty and staff; Virtual presentations with admissions counselors; Open House, Discover Days, and Daily Visits.
