This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.	WIT 220	Analytical Geometry & Calculus III	5	MATH 2222	Applies to the degree as a required science/engineering elective.		4	
General Chemistry II and Lab 5 CHEM 1320, 1510* General Chemistry II (3) and Qualitative Analysis (2) Applies to the degree as a required science/engineering elective. CHEM 1510 is not a degree requirement, transfers as general elective credit. General Biology I and Lab 5 BIO SCI 1113, 1219* General Biology (3) and Lab* (1) Applies to the degree as a required science/engineering elective. CHEM 1510 is not a degree requirement, transfers as general elective credit. General Biology (3) and Lab* (1) Applies to the degree as a required science/engineering elective. CHEM 1510 is not a degree requirement, transfers as general elective credit. Science, Math, Engineering Other science, mathematics, or engineering course. 3 Maximum credit hours to be transferred to Missouri S&T degree requirements. Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.	MTH 245	Differential Equations	3	MATH 3304			3	
CHM 112 General Chemistry II and Lab 5 CHEM 1320, 1510* Applies to the degree as a required science/engineering elective. 3 CHEM 1510 is not a degree requirement, transfers as general elective credit. General Biology I and Lab 5 BIO SCI 1113, 1219* General Biology (3) and Lab* (1) Applies to the degree as a required science/engineering elective. 3 Science, Math, Engineering Other science, mathematics, or engineering course. 3 Science, Math, Engineering Other science, mathematics, or engineering course. 3 Maximum credit hours to be transferred to Missouri S&T degree requirements. 62 Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.								
BIO 111 General Biology I and Lab 5 BIO SCI 1113, 1219* General Biology (3) and Lab* (1) Applies to the degree as a required science/engineering elective. The lab is not a degree requirement, transfers as general elective credit. Science, Math, Engineering Other science, mathematics, or engineering course. Science, Math, Engineering Other science, mathematics, or engineering course. Science, Math, Engineering Other science, mathematics, or engineering course. 3 Maximum credit hours to be transferred to Missouri S&T degree requirements. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.	CHM 112	General Chemistry II and Lab	5	CHEM 1320, 1510*			3	
BIO 111 General Biology I and Lab 5 BIO SCI 1113, 1219* Applies to the degree as a required science/engineering elective. The lab is not a degree requirement, transfers as general elective credit. Science, Math, Engineering Other science, mathematics, or engineering course. 3 Science, Math, Engineering Other science, mathematics, or engineering course. 3 Maximum credit hours to be transferred to Missouri S&T degree requirements. 62 Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.		,						
BIO 111 General Biology I and Lab 5 BIO SCI 1113, 1219* Applies to the degree as a required science/engineering elective. The lab is not a degree requirement, transfers as general elective credit. Science, Math, Engineering Other science, mathematics, or engineering course. 3 Science, Math, Engineering Other science, mathematics, or engineering course. 3 Maximum credit hours to be transferred to Missouri S&T degree requirements. 62 Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.					General Biology (3) and Lah* (1)			
The lab is not a degree requirement, transfers as general elective credit. Science, Math, Engineering Other science, mathematics, or engineering course. 3 Science, Math, Engineering Other science, mathematics, or engineering course. 3 Maximum credit hours to be transferred to Missouri S&T degree requirements. Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.	BIO 111	General Biology I and Lab	5	BIO SCI 1113, 1219			3	
Maximum credit hours to be transferred to Missouri S&T degree requirements. Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.								
Maximum credit hours to be transferred to Missouri S&T degree requirements. Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.	Science Moth Engineering	Other eniones, methometics, or engineering course		Salance Math Engineering	Other spience mathematics or engineering sec	ıraa	2	
Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.	Science, Math, Engineering	Outer Science, mainernatics, or engineering course.	3	Science, Main, Engineering	Other science, mathematics, or engineering col	⊪s€.	3	
Missouri S&T residency requirements: The last 60 hours of any Missouri S&T degree must be completed at Missouri S&T. Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T. This transfer guide is published by Missouri University of Science and Technology and is in effect as of Fall 2025.		Maximum and different for the f		o Miccouri COT de sur	uo au i uo monto		00	
Students must receive special permission from Missouri S&T to apply more than the maximum credit hours listed above toward the Missouri S&T degree. Students are not required to complete all courses on this guide before transferring to Missouri S&T.
