MISSOURI S&T HEALTH AND SAFETY GUIDELINES
FOR IN-PERSON SUMMER CAMPS

STOP THE SPREAD

Daily Symptom Monitoring

- Use the Campus Screen app every morning before leaving your room while attending camp.
- Take your temperature daily when you get up in the morning.
- If you have a temperature of 100 F or greater, Do NOT join your camp. Contact your camp coordinator.

Practice Good Hand Hygiene

- Frequently wash hands (with soap and water for at least 20 seconds) throughout the day.
- If soap and water are not readily available, use an alcohol-based hand sanitizer that contains 60%-95% alcohol.
- Avoid touching your eyes, nose and mouth.
- Cough and sneeze into your elbow or tissue. Dispose of tissue and wash your hands.

Use Face Coverings and Maintain Social Distancing

- Bring three to five face coverings with you to campus.
- You are required to use face coverings in all indoor public areas on campus and when contact with others within three feet cannot be avoided.

If You Become Sick While at Camp —

- Do NOT leave your room.
- Contact your camp coordinator.
